Memo to File:

Re: Filtrol Corporation  
Millard County, Utah

The Filtrol Pit was inspected by Jim Smith, Mike Thompson, and Ron Daniels on the 29th of November 1977. No work has been done on this operation since the last visit, approximately one year ago.

Due to the remoteness of the area, no reclamation was required here for a period of two years, so that the claim owner, Mr. Don Fullmer, could get certain individuals to examine the halloysite for possible development.
